CAMBRIDGE

SCHOOL'S AIMS (Childrens' version)

At St Alban's we Believe that:

- God sent His only Son to earth and there is only one true God
- We must love and care for each other
- We must treat others like we would like to be treated ourselves

At St Alban's we Achieve because:

- We know how to behave, and understand when we should work and play
- Everybody is treated equally and everyone expects us to do our best
- Value everything we learn and experience at school

At St Alban's we Succeed because;

- We are given interesting things to learn and challenge us
- We all want to do our best
- We enjoy celebrating our talents and gifts which God has given us
