Dear Joe

### **Outcomes for Disadvantaged Pupils**

We are writing to congratulate you on your end of KS2 outcomes for disadvantaged pupils this year. Your school's combined reading, writing and maths results for this group of pupils were over 60%. As you will be aware, this is a priority for Cambridgeshire and we are delighted that your school has been successful in achieving good outcomes for your pupils.

We would like to congratulate all staff, governors and pupils for their hard work and success and to thank you for your excellent leadership in continuing the drive towards the highest standards of educational achievement for all groups of children. Please pass on our thanks to all of those involved and we hope you will share your strategies with other schools.

Yours sincerely
