

World Book Day

5th March 2020

To celebrate World Book Day, St Albans School will **dress up** as our favourite book character.

There will be a **short story writing** competition open to all age groups.

Classes will be involved in shared **Buddy Reading sessions** during the week.

Our successful **shared school story task** will take place again during World Book Week.

We would encourage all parents to **read to your children** on this day/week.

Possible fun ideas to involve the whole family

Start an early 'Breakfast' reading group at Bould Brothers coffee shop or Cosa.

Create your own family book club to encourage shared discussions about books.

Create a reading only night where everyone just reads.

We need more used books

A huge thank-you to all the staff and parents who have kindly donated so many books to our class libraries.

All class libraries now look refreshed with new texts.

We will be organising another book drive on **World book week**.

All unwanted reading books from home are valued in our class libraries.

Shared Writing Task

On Friday 6th March Whole school assembly we will announcing the winners of St Albans Short Story writing competition.

The schools Shared Story written by the *all* the children and will publish and this story will be shared by Year 6s on Friday 6th March.
