WEDNESDAY WORD—FAITH (Please follow this [link](#) for the online version)

School update

With the new government announcements the governors are looking at ways the school will be able to offer places to more children in September. The school would like all children to return and so we will do everything we can to achieve this. However, we must continue to adhere to the guidance

In the meantime we have created a new keyworker / vulnerable bubble. We are not able to offer fulltime education in the bubbles but we will consider children coming in for one or two days as long as there are spaces.

There have been no reported cases of children with the virus and all staff are Covid-19 free too.

New Reception parents 2020/21

Thank you to everyone who attended the Zoom meeting yesterday afternoon. We hope you found it useful. As mentioned we are in uncertain times but hopefully by the end of term we will be able to know for sure how the school will reopen in September. A separate email will come to you with the answer to some of the questions which were not discussed. Thanks again and we look forward to seeing you and your child next year.

PFA news

Thank you everyone who was able to take part in our global day celebration, and we hope you all enjoyed the photos. It was so nice to see so many of our friends smiling and a wonderful rainbow of colours across all those flags.

While we are all shopping so much on the internet it would be wonderful to earn money for the school - easyfundraising is a site that you click on first before doing your normal shop, and then the store (not you) donates to the school as part of their social/charitable contributions. New referrals - grandparents for examples - earn us £5 each. It's particularly great for big purchases like barbeques☺. Here is [the referral link](#).

Parent consultation

A reminder that if you would like a brief chat with the teacher towards the end of term, please email them direct. The consultation will differ for each teacher and will be held between 6th-17th July due to their commitment to their teaching.

Miss Binnie remains in hospital and is now in the rehabilitation ward. Please continue to keep her and her family in your prayers.

Food provision: If you are aware of any families who are struggling to buy food, there is a lot of support available in the city through the efforts of members of the Cambridge Food Poverty Alliance. Please refer them to the phone line 01223 967426 and they will help them to find the right support. There are now eight community food hubs around the city where people can access food for free - please see the [link](#).

Quiz—

How many languages can you say the phrase "Good morning" in?

Flags are different colours, shapes and designs. Select a country which is not in Europe and research why the colours and the design were chosen and the meaning of the flag.

Why is Spanish spoken in South America?

Each country has traditional stories. Ask a parent or grandparent to tell you a story from another country.

Can you name the global events which bring countries and nations together?
