

St Alban's Catholic Primary School
INTERNET AND CLASSDOJO ACCEPTABLE USE AGREEMENT PUPILS

I will:

- Ask permission to use ICT equipment for school work and homework
- Ask an adult before accessing the internet and check with them that the website is suitable
- Tell an adult immediately if I experience anything that concerns me when using the internet
- Keep password for any online accounts completely secret
- Tell my teacher immediately if I think someone else knows my password
- Use online communication to send only polite, friendly and appropriate messages
- Ask permission before I post pictures or videos on ClassDojo or elsewhere on the internet
- Acknowledge the use of any pictures or content from the internet that I use in my own work

I will not:

- Share my username and password or those from any other internet account
- Use anyone else's username and password to access their internet account
- Send or display bad language, unkind words or offensive pictures
- Share online personal details such as surname, address and phone number
- Access other people's files, folders or online accounts without their permission
- Use Google or any other 'adult' search engine unless I have permission and am supervised
- Access websites that are unsuitable for use in school

I have read and understand the rules above.

I will follow these rules when 1) using school equipment both in and out of school

a

2) using my own equipment out of school when accessing ClassDojo or any other activity related to being member of St Albans

I understand that if these rules are broken, my ClassDojo account may be closed and I may not be allowed to use the internet in school. I also understand that parents, the police and the Local Authority will be informed where necessary.
