

Devonshire Gardens competition

I am getting in touch on behalf of First Base, the developer behind – [Devonshire Gardens](#) – the new development being planned for the Travis Perkins site on Devonshire Road off Mill Road.

Serving the community, protecting the environment and promoting sustainable living lie at the heart of First Base's mission, that's why we want to invite your school to take part in a competition to help shape the future design of Devonshire Gardens.

Schools Competition – 5-11 year olds

Design your dream outdoor space. First Base will be building and creating a brand-new park at Devonshire Gardens which will be accessible for the entire community and so we want to hear from the local community about how they would like the space to be used and what exciting facilities they would want to see.

Entry categories

Age 5-7 KS1 – we want students to think about different kinds of natural, imaginative play equipment which could be included in the new park; taking into account accessibility, sustainable materials and, of course, fun! Final designs will be submitted to First Base and judged in partnership with LDA Design, who will be designing the final play area.

Age 7-11 KS2 – there will be areas for sustainable food growing on the site and we want students to help us to design the beds, from the materials used to build them, to the food which will be grown that could best serve the development. Final designs will be submitted to First Base and judged in partnership with Cambridge Sustainable Food.

Prizes for each category

- 1st Prize:
 - £100 National Book Tokens vouchers for individual
 - £200 National Book Tokens for their school
 - A celebration plaque of their design in situ at Devonshire Gardens
- 2nd Prize:
 - £100 National Book Tokens vouchers for individual
 - 2 tickets to visit the Eden Project in Cornwall

Please let me know if this opportunity would be of interest to your school and we will send you over the entry pack. Designs will need to be submitted before the start of the Easter Holidays, with the winners announced the following term.

Best wishes,

Freddy
