## WEDNESDAY WORD—[SELF-GIVING](#) (please click)

**Covid update**— Please see the [link here](#).

### Parents arriving early

Please could all parents be mindful of the classes going in to and leaving school. Try to arrive on time and not join the queue until it is your class time. There has been some congestion when children are getting dropped off and picked up. Thank you.

### Miss Binnie

Thank you for all your prayers and well wishes for Miss Binnie, our Year 2 teacher. We are delighted to say that Miss Binnie is now able to walk with the assistance of a frame and she is beginning to talk. Miss Binnie was able to express her gratitude to everyone for their support especially the current Year 3 children and parents who have been sending get well soon and good luck messages all year. Please continue to keep her in your prayers as she still has a long way to go to make a full recovery.

### Classdojo

If a child is self isolating because a sibling's class has been closed the teacher will post the learning or the office will send an email each day. The class teacher will also post two Classdojo videos explaining the learning on a Monday and a Wednesday. **There will be no Zoom lessons.**

### Communicating with the school

Please do not communicate any absences or request for information via Classdojo. All communication should go through the office and the only use of Classdojo should be about your child's learning. Thank you.

### Lenten activities with the Church Schools of Cambridge

In the next two weeks the children will be involved with online Lenten workshops. The theme is exploring the Psalms. The lead person is Victoria Goodman who we all know very well and has delivered many Advent and Lenten workshops before.

### Birthdays and cake

We will continue to give the children a birthday cake on a Friday. Please give any donations to the office. See photos of today's celebration on the third page.

### World Book day

Well done to all the children and staff for their lovely costumes, the book vouchers have been sent home today.

## PFA news

Today **Friday 12th March** the school is celebrating World Book Day. Children have come to school dressed up as a character from their favourite book. Optional £1 donation to the PFA can be made via paypal pool: <https://paypal.me/pools/c/8xBWhHFINT>

On **Friday 19th March** we invite all children to join our Sponsored Virtual Sleepout! Challenge yourself to give up the comfort of your own bed for one night (to sleep instead in the living room, in a den, a teepee, indoor 'camping' etc) to help the homeless by raising awareness and funds for a homelessness charity and our school!

Create your own sleepout experience at home! Have fun before snuggling down for the night, perhaps bedtime stories by torchlight, hot chocolate, linking up virtually with classmates, maybe even participating as a family!

The proceeds raised will be split between the school (75%) and Winter Comfort (25%) - a local Cambridge homelessness charity supporting people who are homeless or at risk of losing their home in Cambridge.

Please see attached posted for further details including link to paypal pool where donations can be made.

This is the link to the Wintercomfort website, where you can learn more about this charity's good work, and further ways to support them.
