## PFA

We are looking forward to having our outdoor classroom installed next **Monday 26th April**. It should take just a few days to build and we can't wait to see it in place and the children gathered together in it. We will include photos of it in next week's newsletter as we understand parents won't get to see it in person for the moment due to the on-going Covid restrictions.

The first virtual school disco takes place this **Friday 23rd April 5pm-6pm for Reception class**. The playlist is compiled and we hope all children (and grown-ups!) are excited!! 🎵 🎶 🎸 🎹

A date for your diaries: Our next **Bags2School collection** will take place on **Tuesday 22nd June**. So if you are undertaking any spring cleaning/clearing out over the next couple of months then please bring your unwanted clothes/shoes into school on this date for the collection. The school then gets paid according to the weight of our combined total collection.
