## WEDNESDAY WORD—[FRIENDSHIP](#) (please click)

### During half term

We hope that everyone has a safe half term and that everyone complies with the advice from government. However, if for any reason your family needs to do something which is not compliant or you contact the virus please email the school. We will be picking up our emails every day. Hopefully, we will all have an enjoyable and safe half term.

When we return, we will continue with the measures we have in place and will only ease the restrictions on certain days/events. Thank you for continuing to bring your children to school on time and for keeping in the bubbles.

### Bicycles

As we move into the summer, more and more children are enjoying riding to school on their bike, which is great. However, this is causing congestion in the playground. Therefore, could all Year 6 children be issued with a strong lock as they will be parking their bike in the small square between the Parish Centre and the school. Thank you.

### Accommodation required immediately

One of our families requires a two/three bedroom house in the next couple of weeks. If you know of anyone who could help or know of a property available to rent please contact Mr McCrossan as soon as possible. The property will need to be close to the school.

### Eat them to defeat them

Yesterday or today your child brought home a mission pack containing information about a national programme to encourage children to try lots of tasty vegetables. The programme begins on the 7th June, starting with tomatoes. The mission pack includes a reward chart, stickers and puzzles. Hopefully this will help encourage your child to eat more vegetables at home. Please see the attachment for more information.

### Books

Thank you for bringing in books which your children have read. Please continue to do this as long as they are in a very good condition.

### Class photos 7th June

A reminder that the photographer will be in for one day only. So it is important that all the children are present on the first day back. Otherwise, you will miss out on the annual class photo.

### Relationship and Sex Education (RSE) meeting for Year 5 and 6 parents only

This meeting will be at 5pm on the 9th June. Details will be sent out after half term.

### New parents in Reception class 2021

This meeting is on the 10th June at 5pm and will be the first opportunity for the new class to come together, albeit via zoom. Details will be sent out after half term.

### Class teacher vacancy

The closing date for this position is on the 11th June. Please follow [the link](#) if you are interested or know someone who might be interested.

### Moving house

If you have moved house since the time you were first offered a place at the school, please contact us so we can update your details. This is very important.

### Attendance

A few families will be receiving attendance letters this week. If your child's attendance is below 95% then there is some concern and we will continue to monitor. However, if your child is below 90% your child is categorised as a Persistent Absentee (PA) and you will be contacted by the Educational Welfare Officer if we do not know the reason why the attendance is low.

Newsletter from OLEM, please see the link [here](#).

Have a wonderful half term and enjoy the sun. At last!
