The lessons and break

We do fun activities a lot of the time

The thing that I like most about school is that there is so many nice and helpful people

friends and fun lesons

its fun and you learn news things

english

i like the lessons and learning.

I like learning new things.

i like playing with other people and being social.

how kind every body is and music assembly

???

i like when teachers help me

i like the lessons and learning

teachers and pupils are kind.

I like playing at school

I like my teacher, the different sports and the interesting things we are taught.

Learning new things

i like to have the opertunity to be social

pe

the learning

I like all the maths lessons.

food

to learn

golden time

That I am able to read books.

I like that I am able to read.

Topic

to learn

Maths and Topic

Everything is fair.

Most kids are nice.

lunch

learning.

I like learning new things at school.

I like every part in school and I think that everyone is nice to each other.

they have sport

I feel safe.

everything

Science and art

Monday/Friday football

Teachers

I love school all the teachers because they are kind and it is a great place I think everybody loves it.

Math

break and english

One reason I like St Albans is because it's fun and safe.

I like how we have a wide range of different lessons

The friendly working environment.

about it fun topics and subjects

Having my best friends to support me if I feel down

That there are lots of events

I love how all the lessons are interesting and we can have fun too.

The education is really fun, and interesting.

All the children are kind and friendly and it's a great learning environment.

not much

I also like School because I can see my friends

it's fun I get to meet my friends and learn new things

I like the fun things to learn and play and to experience

to have lunch and play with my friends

i like this school BECAUSE ALL THE TEACHERS ARE VERY SUPPORTIVE

computing

That you can be free to write and work out

I have friend

I like that this school is small and that teachers let me say my opinion

I like everything about my school, but I mainly like that nobody is force to do what you want.

maths and english

ART AND COMPUTING AND PE!

i like that my school wants you to do your best in everything and are always supporting you.

The lessons are epic especially history, science and art.

i feel safe

Golden time

That it feels like a family and makes me feel safe and learning knew things

pe

the computing lessons

Being able to do lots of PE and writing

I like to play with my friends

My teacher

everybody is kind, welcoming and understanding when you need help

What I mostly like about St Albans is that we are all kind and friendly we have fun events and i have really nice friends

I like the fun enjoyable tasks at school, most teachers are very kind and helpful and nearly all children are kind to me.

ICT, ART,MATHS(ALGERBRA)

You are allowed to read books

I like that at my school if you are alone and you have nobody to play with there are children that let you join in with their games and it makes you feel included.

That my friends are here

I like that my school is a safe environment for me and other children to learn but have fun while doing it. I have learn many things that I didn't know before like:

Ratio, Algebra, Percentages of whole numbers, in english I have learnt many types of texts such as argument and biographies. I have learnt much more since

September, and other years.

My friends and fun activities.

My friends and having a buddy in year 6

having a buddie and people in my class that I like

Learning lots, playtime, colouring, computing, art

Staff, art, PE, science, golden time, computing, music, playtime, maths
