CityKids Playcentre provides the breakfast and afterschool wrap around care provision for children attending St Albans. It operates as a charitable trust with committee members who are parents of children attending the club. This is key in our ability to keep fees as low as possible for parents. We need more parents to volunteer to join the committee. Your involvement will greatly help towards the shaping of the club services, how it is run, keeping the children stimulated and happy! The Committee meets once per school term only. Do not hesitate to speak to Sue (playleader manager) if you would like to be a committee member, or email citykidschair@gmail.com

We are also looking to recruit TWO play workers for the 3-6pm after school club. Please speak to Sue (playleader manager) to find out more, or if you know someone who may be interested in joining our fun and dynamic play worker team to look after our very well behaved and playful children!
